RE: Response to FEC Request for Additional Information regarding 2012
October Quarterly Report

This memo serves to respond to your request for additional information regarding the 2012 October Quarterly Report.

With regard to the transfer itemization for the joint fundraising committee transfers, attached is an amended report that lists the transfer memo entries below the corresponding committee transfer.

In addition to the above, there were several other corrections made as a result of us auditing this report. Several contribution refunds were erroneously reported as on line 17 instead of line 20. These corrections have been made. Additionally, there was a duplicate entry for the contribution to Stephen Weiss. This has been deleted. We have worked to combine duplicate records in our system and several previously unitemized contributors were pushed over the \$200 threshold and are now reflected on line 11(a) (i).

Additionally, there were two expenses that were erroneously omitted from the report. One was \$600 to Ladies of Graysville VFD for \$600 and FLS Connect for \$70.48. These have been added to the report.

Please let us know if you need any additional information.
